

Open House

It's Time to Meet the Teacher!

Don't go blind into the school year—come meet your teachers and staff at our Annual Back to School Open House! This is a time when we invite all Parents to come see what kids are doing in class,

meet their teacher and get one-on-one question time. Each Center will have its Open House from 5:30PM to 7:30PM, but on different days. Check your Center's date on the back!

Our Professional Curriculum is Back

Our professional curriculum is back in action this month, and will be used throughout the school year. We rotate our material, giving the children fresh challenges & activities on a continuous basis. We provide children with curriculum appropriate for each age group.

Curriculum Themes

Fabulous Friends

Celebrate friendship and practice social roles and relationships throughout this theme.

Forest Fun

Learn about what these animals eat and where in the forest they hide and live.

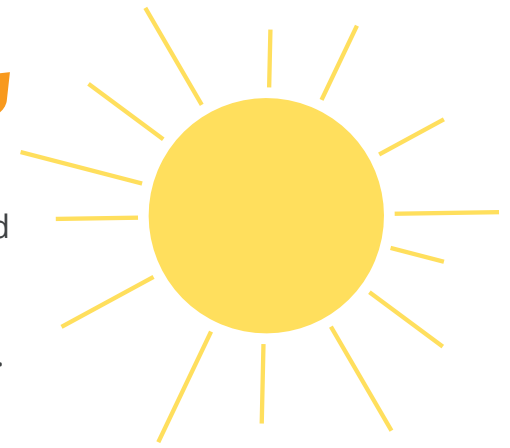

We believe parents are our partners in education, so we encourage you to talk to your child about what they did in school. Ask questions about what they learned today! They'll love showing off new knowledge.
